SAGEPOINT NEW REHAB CENTER NOW OPEN
Sagepoint to Open New 30 Bed Rehabilitation Center With Private Rooms

La Plata, MD (June 5, 2018) – Sagepoint Senior Living Services would like to announce the opening of their brand-new rehabilitation center. This center boasts of 30 spacious private rooms, each with their own private bathroom and a 40" flat screen, HD television. An expansive dining area allows patients to enjoy their meals with visitors and the beautiful, modern living room evokes a sense of home. The new center offers a state-of-the-art therapy gym with a mock bedroom and kitchen aimed at helping patients master the very same daily living skills needed to return home. Therapy, to include all physical modalities, will continue to be offered 6 days a week. The new rehabilitation center was constructed as an addition to the current campus located off of La Plata Road.

This new rehabilitation center supports Sagepoint's mission of providing excellence in rehabilitation and aging services. "We are very excited to be able to offer our rehab patients their very own room during their recovery," comments Teresa Robinson, VP of Clinical Services. "Private rooms afford patients greater privacy and dignity and offer a larger living space which means more room for visiting family!"

For more than 40 years, Sagepoint's team of compassionate, highly-skilled caregivers has been providing patients throughout Southern Maryland with high-quality, personalized rehabilitation services. Sagepoint's rehabilitation care helps people who are recovering from serious illnesses or injuries regain their highest level of independence. Today, no other provider in the area can match Sagepoint's care, expertise, services and track record in rehabilitation for seniors' unique needs.

As a non-profit organization, Sagepoint strives to partner with local agencies whenever possible. We are proud to have worked with **R.L. Litten & Associates, Architects, LLC** and **Dennis Anderson Construction Corporation** on the construction of our new rehabilitation center.
